Field of Dreams Funds

We are delighted that so many Field of Dreams Funds have been established since we introduced them in 2005. They are a testament to the treasured memories of loved ones now passed away and are helping us to continue in our vital work improving the lives of donkeys worldwide. The following list demonstrates the enormous comfort the funds provide; we have only included details if we have been given express permission to do so.

Doreen Adamson	James Farrant	Mary Ellen Norris
